**BIG BROTHER  
BABE BONANZA!**

👁 **CBB EXCLUSIVE 1!**

## It's Celeb BB's Georgia Salpa!

The Irish babe kicks off our exclusive, six-page *Celebrity Big Brother* news special!

**CELEBRITY BIG**  
Brother is a curious beast. Often a strange brew of people their own mum would struggle to name, alongside international stars – Verne Troyer! Michael Madsen! Kenzie from *Blazin' Squad*! It's always interesting, but rarely essential. Until this

year, when the producers have gone honey mental, recruiting a roster of almost exclusively hot celeb ladies (sorry, Natalie Cassidy)!

So we'll be sitting down for the next few weeks to enjoy Georgia Salpa, *Playboy* ladies, Natasha Giggs and their chums in a big old hot tub. High five, Channel 5!

### SHORT AND SWEET!

The famous modelling agency Elite turned Georgia down for being too short. The silly sods.

Turn over for another  
*Celeb BB* exclusive!

eye CBB EXCLUSIVE 2!

# Playboy bunnies topless!

The Shannon twins, as nature intended!

→ SO, KRISTINA (left) and Karissa (right, maybe, who knows?) were a genius addition to *Celeb Big Brother* and, as you can see, are the friendliest couple of ladies a man could ever wish to meet!

## PEAS IN A POD!

Kristina is, apparently, a tiny bit taller than her sister, Karissa. Well, that clears that up, then!

→ **CBB EXCLUSIVE 3!**

# Natasha Giggs in a bikini!

**It's like underwear, only waterproof!**

→ **IF THE** *Celebrity Big Brother* auditions were run like a job interview, Natasha's would be, well, er... interesting.

"So, Mrs Giggs, we see from your CV that your celeb credentials consist mostly of having an eight-year affair with your husband's more famous brother. Is that true?"

"Well, yes, it is."

"I see. I see. Can you step into this bikini, please? Thank you. I'm happy to announce that you've got the job. Many congratulations!"

## OH BROTHER!

Catch Natasha and the rest of the sexy housemates every night on Channel Five from 8.30pm.

"Now, how did they do this on *I'm A Celebrity*?"

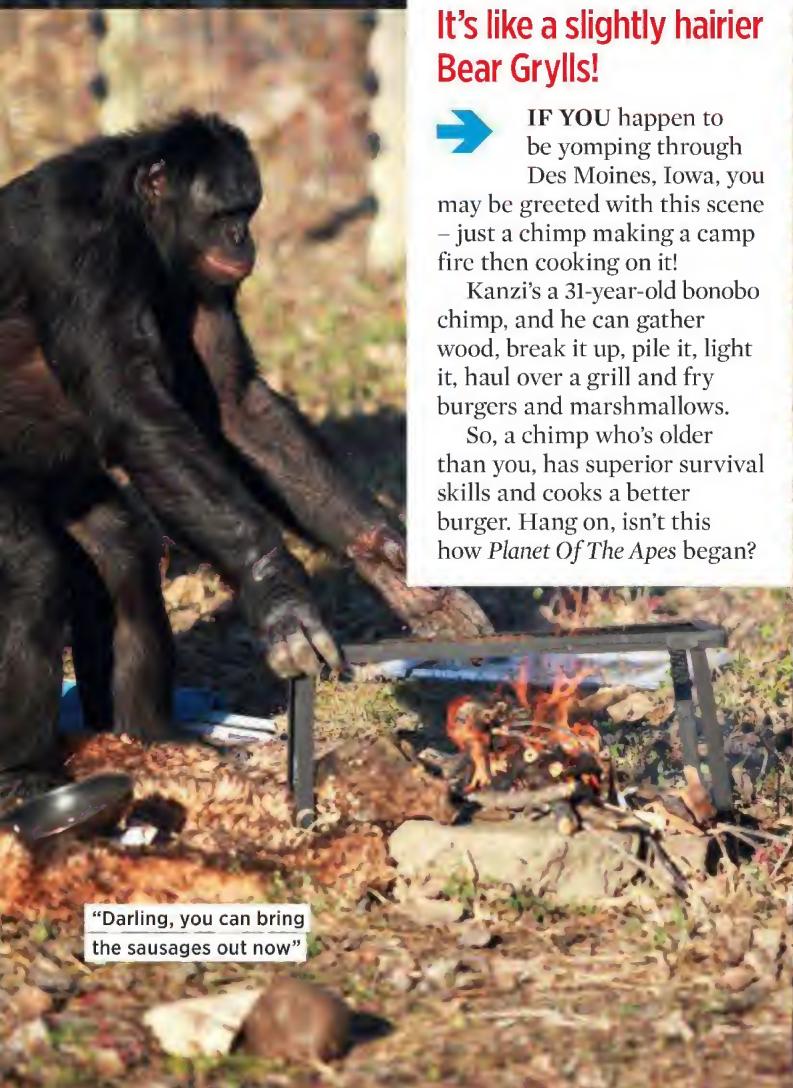

# Chimp goes camping!

**It's like a slightly hairier Bear Grylls!**

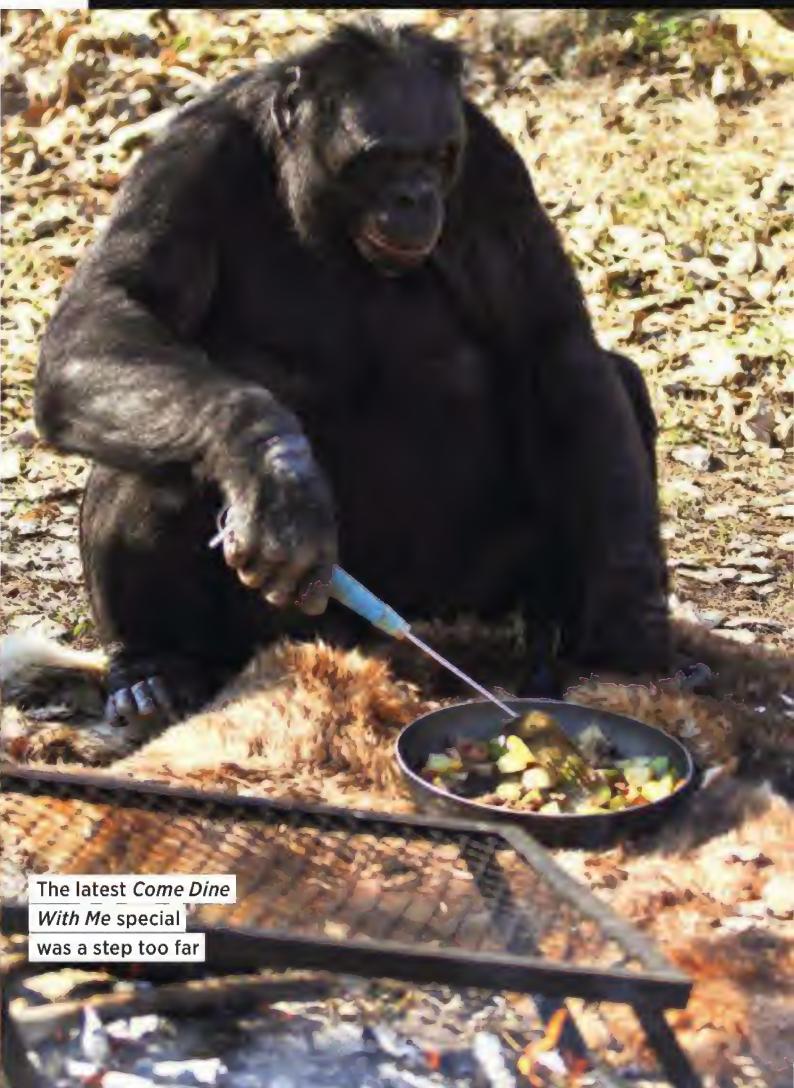

→ **IF YOU** happen to be yomping through Des Moines, Iowa, you may be greeted with this scene – just a chimp making a camp fire then cooking on it!

Kanzi's a 31-year-old bonobo chimp, and he can gather wood, break it up, pile it, light it, haul over a grill and fry burgers and marshmallows.

So, a chimp who's older than you, has superior survival skills and cooks a better burger. Hang on, isn't this how *Planet Of The Apes* began?

"Darling, you can bring the sausages out now"

The latest *Come Dine With Me* special was a step too far

"I wish that Attenborough fella would just bog off!"

## Chimps – the facts!

- There are two types of chimp – the common chimpanzee and the bonobo, like Kanzi.
- The two species are the closest living relatives to humans.
- Of the two species, bonobos are the most active, having frequent sex with each other, including oral sex!
- Chimps understand aspects of human language and the idea of numerical sequence!
- Chimps use sticks as weapons against enemies including leopards, but also use them as tools for hunting and building nests... er, and BBQs!

# Toon games jamboree!

*South Park* and *Family Guy* go after the nerdier pound!

→ **MASSIVELY MULTIPLAYER**

online games (MMOs) get a lot of bad press. But that's because they're mostly sword-swinging, spell-bunging, dragon-slapping fantasy games full of porky men who speak Elven.

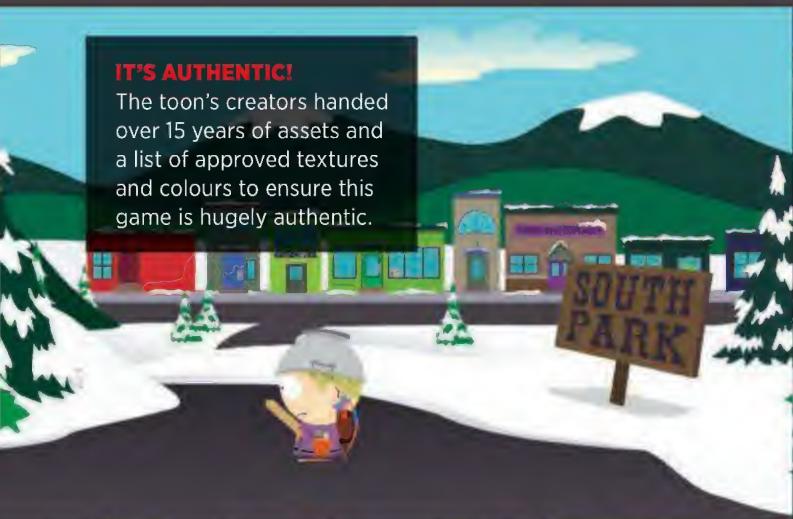

So the chaps behind *South Park* and *Family Guy* aim to do something about this, as they're both – co-incidentally – launching massively multiplayer games this year, swapping spells and swords for gags and japes.

WORDS: RORY BUCKERIDGE

**IT'S AUTHENTIC!**

The toon's creators handed over 15 years of assets and a list of approved textures and colours to ensure this game is hugely authentic.

**YOUR MAN!**

Characters will be totally customisable for look, clothing and features, but all will be unmistakeably South Parkian!

**COMBAT!**

South Park's creators told developers to "Make it crappy!" So, expect golf clubs, suction-cup arrows, wooden swords and more.

# Family Guy online!

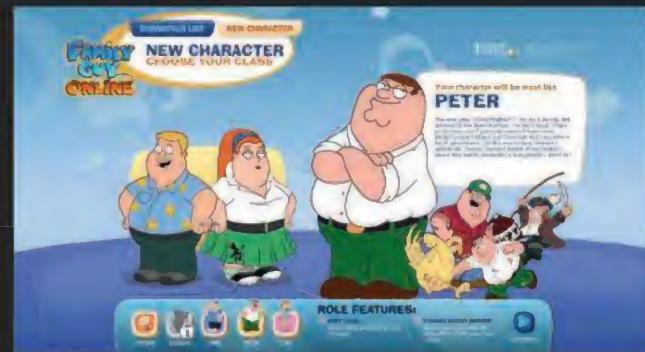

It's a virtual Quahog, starring you!

→ FIRST BIT of good news: the *Family Guy* game is free! It's a browser-based download, so all you need is a PC and internet connection.

Similar to the *South Park* game, you create your own Griffin-style chap, then bust out onto the streets of Quahog to

interact with other people like you and the *Family Guy* characters.

Again, your classes will be chosen to match the Griffin family, and their quirks, so you can go the terrifying baby route, or the fat buffoon with zero self-awareness. Sign up at [www.familyguyonline.com](http://www.familyguyonline.com).

# Dutch four-door supercar convertible!

Meet the "Roadyacht"! It's a whole new supercar thing!

- **Savage Rivale may sound like a cheesy American private investigator but is actually a Dutch car firm that's trying to create a new niche – the four-door supercar convertible! The company has confirmed that its mould-breaking Roadyacht GTS will go on sale this year.**
- There have been four-door convertibles before (eg. the Cadillac Ciel, as featured in *Nuts* last September) but never a supercar.
- **Up front are Lamborghini-style butterfly doors, but the rears are "suicide" butterflies (ie. with a rear hinge) which incorporate the wings. Odd, but cool.**
- The idea might not be as niche as we think, either, because the current wealthiest car consumers, the Chinese, have no interest in expensive cars unless they're four-door.
- **Historically, not many manufacturers have braved the open-top, four-door design because it makes the car a bit wobbly. Without door frames and a roof, the chassis needs to be ruddy strong. So the Roadyacht features an extremely strong chrome-molybdenum chassis, with the engine up front – visible through a window on the dashboard!**
- The 6.2-litre tuned Corvette engine produces 670bhp and 553lb-ft of shove. This means the Roadyacht will pass 62mph in 3.4 seconds and tops out at 205mph.
- **Carbon bodywork keeps the 'yacht's weight down to just 1,280kg – similar to a Ford Fiesta and 180kg less than the plastic-bodied Corvette it borrows its engine from.**
- And the interior really is something else. With seats for four, each plush sports chair features half a dozen individually cushioned pads with Alcantara and diamond stitching.
- **Savage Rivale says only 20 Roadyachts will be made, and three have already found homes. At £342,000, plus VAT.**

"It was a Citroen Picasso until my pet elephant sat on it"

## Rihanna

### Taking a dip, Barbados

Rihanna hitting her manor of Barbados is a bit like Sam Faiers heading to Southend. In the same way that a Rolls-Royce is similar to our 1998 Vauxhall Astra!

# Just add chips!

Herring beached – apocalypse ahoy!

→ **MOLLY THE**  
dog's expression  
here says it all,  
really. Look at her little  
face as she hits the beach  
at Kvaenes, Norway,  
hoping for a frolic in the  
sand, only to find tons  
of beached herring!

The fish may have  
been caught out by the  
tide, but a far more likely  
explanation is that it's  
a sure sign of the 2012  
apocalypse. Yes, an  
ancient prophecy foretold  
by Mexicans off their  
noggins on funguses over  
1,100 years ago sounds  
entirely more reasonable!

WORDS: RORY SUCKERIDGE; PHOTO: REUTERS

"Quick! Let's make  
a fish castle!"

## Is the end of the world coming?

- All this talk of an apocalypse comes from archaeological findings of the ancient Mayan civilisation, and evidence of their clever vigesimal (counting in units of 20 rather than ten) calendar.
- **The Mayans lived in Mesoamerica (Central Mexico to Costa Rica) between AD 300 and 900. They were keen and very skilled mathematicians and astronomers.**
- They reckoned that 21 December 2012 marks the end of a 5,126-year era they called their "long count" calendar.
- **They worked out that on the winter solstice in 2012, our sun will be aligned with the centre of the Milky Way for the first time in about 26,000 years. And they were right!**
- So whatever energy may stream to Earth from the Milky Way will be blocked by our sun.
- **Thing is, for Mayans, this was a celebration to mark the end of a natural cycle, not a sign of apocalypse. That's just how some academics have chosen to interpret it.**
- So it's all a bit silly, really.

"Morning, Brian!"

# Snow way!

Snowmobile driver gives gravity a miss!

→ HOW DO you get from a chap messing about on a snowmobile to this? A small jump first? Then a bigger ramp? More air? Or did this man just say to himself, "Today, I'm going to jump over a motocross bike, 40ft in the air, while waving cheerily to its rider. Upside down!"

Either way, if this is your kind of thing, you'll be pleased to hear it's happening in March as part of the Masters Of Dirt show, hitting Dublin, Manchester and Wembley.

## "Rich divorce 'cos they can afford it!"

SO IT'S all over between Katy Perry and Russell Brand after 14 months of marriage, and people are saying they can't believe it. Well, there's a reason Hollywood marriages don't work – it's 'cos these people are rich. Like the old joke says, "Why does divorce cost so much? Because it's worth it!" I don't know what went wrong, just that one of them was a c\*\*t and left the other, so just leave 'em alone. But Katy, if you want a six-month rebound marriage, hit me up on Facebook.

## "Wazza hit in the pocket!"

## "Whale sicko got it wrong!"

A MAN in Norfolk is being done for trying to sell the teeth and jaw of a dead sperm whale on Facebook. He's got 15 large teeth to flog at a fiver a pop, and a jawbone with 11 teeth attached – yours for a hundred quid. What the f\*\*k is the world coming to? What's wrong with this sicko? Everyone knows that if you want to sell bits of dead whale, you use eBay – Facebook is just for tagging photos of yourself ripping the carcass to bits!

fined £250,000. Even by his standards, that's a fair bit. I'm glad I'm not a footballer – I've never showed up for work sober. The theory is, never be hung over on a Sunday, save it for Monday, so you're f\*\*ked up on their time, not yours. Wayne, I feel for you, but don't tear your hair out over this – it'll cost you another 20 grand.

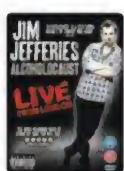

## "My deal for Doherty!"

WHILE WE were all shopping in the January sales, Pete Doherty was at a market in Paris buying five antique crack pipes. Isn't he meant to be a recovering addict? Having five crack pipes around the house isn't going to help! Pete, you can't allow temptation like that into your daily life. It's a recipe for disaster, like having a girl chained to your radiator when you're trying to give up f\*\*king around. Tell you what, Pete, I'll make you a deal – you chuck those crack pipes away and I'll release the girl who's chained to my radiator.

## "Docs should pay for boob job boob!"

THE NHS might be facing a £150million bill to remove faulty breast implants made by French company PIP. At least 40,000 women in the UK have PIP falsies and there's a risk of them bursting with health-endangering side effects. But I don't see why the NHS has to pick up the bill. It should be paid by the doctors who install them – it's their problem. Otherwise, we'll be left with a load of corpses with great t\*ts.

A very good reason *not* to go to Ibiza any time soon!

→ **MOSQUITO BITES** are annoying – they itch, you scratch, they disappear – but it's not like your leg's going to fall off! Well, not unless you're plumber Lee Brett, 27, from Kent, who was nibbled by the mosquito from hell.

"I came back from Ibiza with a mozzie bite that was

really red and sore and it just kept getting bigger and bigger. I went to my doctor but he only gave me antihistamines and told me to leave it alone.

"Several weeks later, I was at work and the pain became unbearable – it turned out it had infected my whole leg. My leg had swollen up like an elephant! I drove myself to

A&E, where the doctor took one look at it and put me under anaesthetic and into surgery. They had to remove a lump of flesh around the size of a ping-pong ball, and I've had to have skin grafts to repair it."

Any insect-repellent firms out there wanting to make a donation for Lee's next holiday, please get in touch.

## LETTER OF THE WEEK!

### I fancy my girlfriend's mate!

I really fancy my girlfriend's best mate and I don't know what to do. Me and the missus haven't been getting on so well for a long time now and her mate has been a brilliant shoulder to cry on, but recently she's been really flirty with me and has been telling me she thinks my girlfriend is out of order because of the way she treats me. How should I handle this whole situation?

**BILLY** Newport

A fairly easy one, this. To get things started: dump your girlfriend and ask her friend out. I'd have thought this is a pretty obvious answer, isn't it?

### Should I go to a fetish club?

I've just found out there's a fetish club near me and I'm intrigued by it and would love to give it a go. Thing is, none of

my mates fancy it. Have you ever been to one? What can I expect? What are the rules?

**JOEY M** via email

Why do you need your mates to go with you? Be brave. As for what you can expect, it depends on what sort of club

it is. Fairly "normal" offerings include dominatrixes, cross-dressing, or maybe having a silk handkerchief stuffed in your bottom. Still interested?

### She caught me in the act!

My girlfriend recently caught me masturbating. She says it feels the same as if I'd been cheating on her. Is this fair?

**SIMBO** via email

I think masturbating in front of each other is perfectly healthy. Try doing it when straddling her face and ask her to do the same for you. She'll lap it up. As will you.

- If you've got something to ask Danni, just email her at [thelesbian@nutsmagazine.co.uk](mailto:thelesbian@nutsmagazine.co.uk) or write to her at the usual address on p70.

"Nope. Won't do it."

"What's it called?" asks the clerk.

"A fottle," replies the inventor. "It's short for folding bottle."

"That's a silly name," says the accountant.

"Well," says the inventor, "I've also invented a folding carton called a farton."

"Nope, I'm sorry," protests the clerk. "There's no way we can allow that. It's too rude."

"Oh, dear," replies the inventor. "Then you're going to hate the name of my folding bucket!"

We're up for a laugh, so we'd need you to make us smile!

**Yes, you lot have a notoriously wicked sense of humour, right?**

We do. It's because we don't take ourselves too seriously.

**Why are Scouse girls so hot?**

It's because we look after ourselves. We're always having a curly blow and making sure our make-up is just right.

**Do you all really walk about with curlers in all the time?**

Yep. I have some in now! Normally, I'll put them in on the morning of a night out and have them in there for hours.

**What type of bloke do you like?**

Good looks aren't important. If you can make me laugh, I'd consider going out with you.

**Do footy players ever crack on to you in Liverpool?**

No. I think it's because they're intimidated. Blokes in general can impress me by having the balls to come over and talk.

**What are your turn-ons?**

Erm... confidence, erm... someone who looks tidy, erm... a good, funny bloke!

**Thanks, Debbie! Finally, on average, how often do girls say "erm" up in Liverpool?**

You've noticed! I reckon, erm... every five seconds!

## Vs the Nuts Question Bucket!

Sell:

The ridiculously tall comic on pigeons, llamas, pyjamas and kissing girls!

Copy:

**THE RULES** are simple. We fill our bucket with ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

**What was the last thing you had stuck in you?**  
A needle.

**Do you think pigeons get a bad press?**

No. Pigeons are arseholes. A pigeon once tried to split my mum and dad up. My mum said she was lying in bed and she heard a wood pigeon going [does impression of a pigeon], "Coo, coo!" and she was absolutely convinced it was saying, "Leave him."

**If bananas wear pyjamas, what does an orange wear in bed?**

Bananas/pyjamas is a half rhyme. So an orange would wear... nothing rhymes with orange.

Though an orange would wear a string bag.

**Would you let Cheryl Cole kip on your couch even if she couldn't pay rent?**

Absolutely not. No one stays at my house without paying. Cheryl is going to have to dig deep. There are no free rides in the Davies household.

**Do you wash out yoghurt pots and put them in the recycling or do you put them straight in the bin?**

I put them straight in the bin as I'm eating my last mouthful. There's still yoghurt on my lips when I put them in the bin. Sorry, recyclers.

**Have you ever grown a beard?**

I shaved one off this morning, hence my pink, infected face. It was a "five-dayer" until about an hour ago. The last time I grew a beard was in the

summer and I looked like a grotesque Santa.

**What were you like at school?**

Pathetic, nervous and frightened. When all the cool kids were dying their hair and getting off with each other, I was making up silly stories with my friends. Tragic.

**When did you last cry?**

Last week at some news story that was designed to make you fill up and I totally went with it.

**Would you rather have a llama who lived in your house and hogged the TV remote and ate all your food, or have to travel everywhere on a really, really slow yak?**

I'd have a llama. I barely watch TV, so the llama would be hoisted by his own petard. He'll expect me to be angry but he'll be watching TV alone most of the time. I find any irrationally violent animal hilarious. Llamas have an attitude problem.

**What superpower would you have?**

I'd have the ability to fart myself 30 feet into the air.

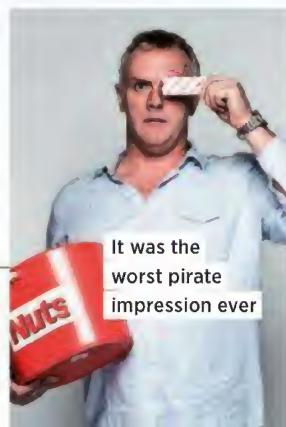

One of the joys of farting is that it can pass through material. If it didn't pass through material then we'd all be in real trouble, wouldn't we? We'd all have massively inflated trousers.

**Can you make up a song about Nuts please?**

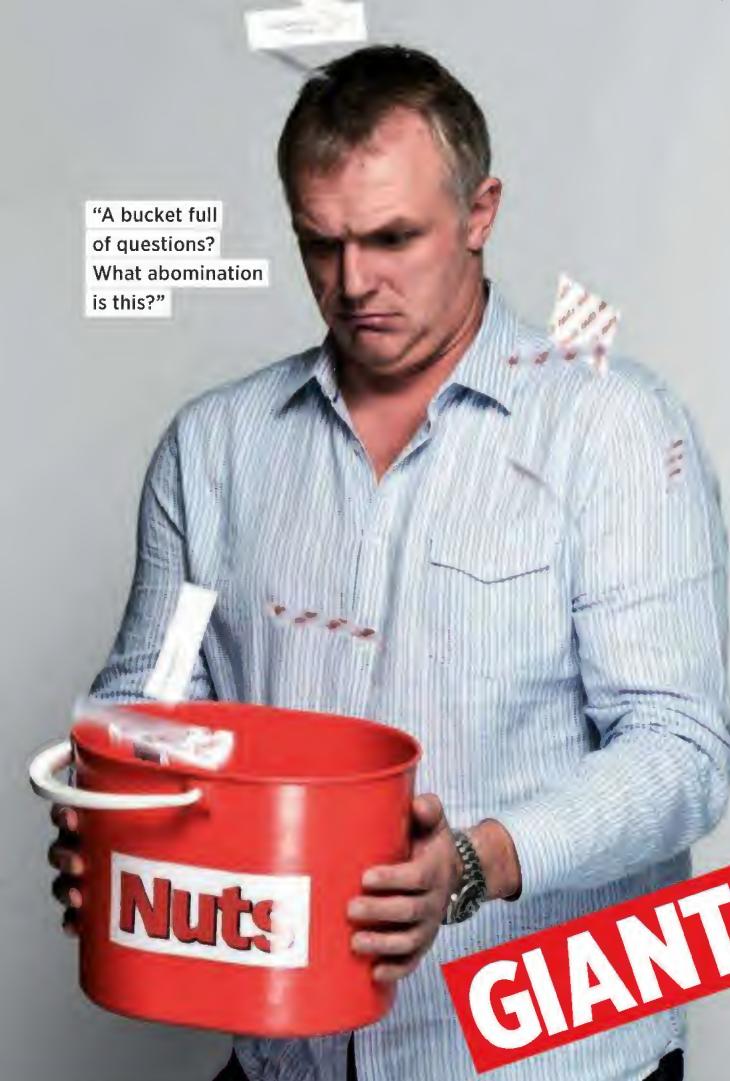

[Sings] I like macadamia nuts but my favourite nuts are cashews.

**Who was the first girl you ever kissed?**

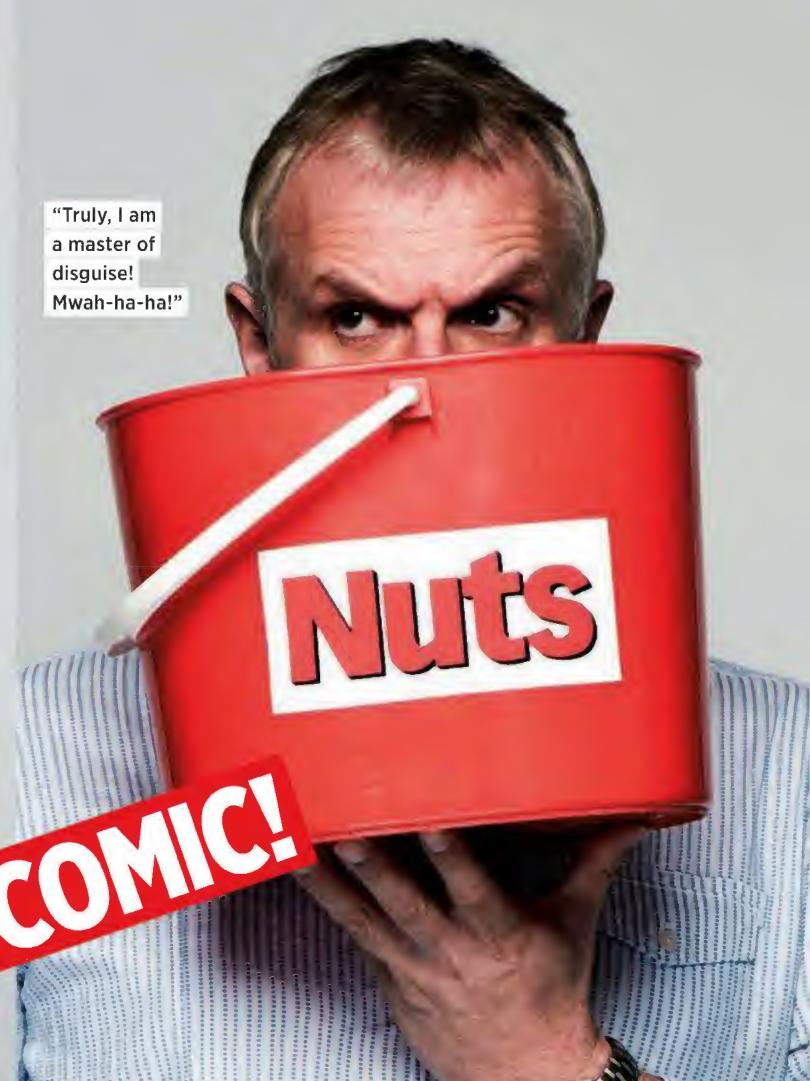

It was a girl at a party where I'd engineered a far-fetched game called "Kiss A Different Partner" in an attempt to achieve my first kiss. It was pretty dark and most people were just kissing on the cheek but I thought, "Law of averages, one of these girls is going to misunderstand the rules and snog me proper," and they did. It was absolutely delightful. I thought, "You genius." Then the lights came back on and she was smogging my mate next to me. It ruined me.

NEW YORK MOBSTER

# The man who turned his back on the Mafia, and survived

Michael Franzese  
left mob life  
behind in 1994

# Meet Michael Franzese. Born into the Colombo crime family, the New Yorker was one of the Mafia's biggest ever money makers. He tells *Nuts* what life as a mobster's really like...

## Hello Michael. How was it you came to be involved with the mob?

My father was an underboss of the Colombo family, one of the five connected families in the New York area. While I was at college, training to be a doctor, he received a 50-year prison sentence for a string of robberies and I changed direction as a result. I got close with the boss of my family, John Colombo. I lost interest in school and tried to help my dad get out of prison.

## What was it like becoming a made man?

My father sent me downtown and the process started. You learn the mob ropes and if you prove yourself worthy, they initiate you. I was aged 21.

## What was the initiation like?

There were six of us who were sworn in. It was late at night, there was a lot of security. We walked into a dimly lit room individually and the boss was seated at the head of a horseshoe configuration. I stood in front of the boss. He took a knife and cut my finger, some blood dropped on the floor. He said to me, "Tonight, Michael, you're being born again into a new life, and if you violate what you know about this life or betray any of your brothers, you're gonna die and burn in hell." He said, "Do you accept?" I said, "Yes, I do."

## Can you tell us about the work you undertook for the mob?

You come in and you find your way in there according to your talent. I had a head for business and wanted to make money. I worked 18 hours a day and I knew how to use that life to benefit me in business.

## How did you make money?

I had a loan-sharking business, 12 or 13 bookmakers working for me, a couple of automobile dealerships, a leasing company and I got involved in a couple of nightclubs. On the illegitimate side, the biggest thing was a gasoline tax deal where we were stealing the tax on every gallon of gasoline we imported. I ran that operation along with the Russian mob and went on to make a couple of hundred million dollars.

## At your peak, how much money were you making?

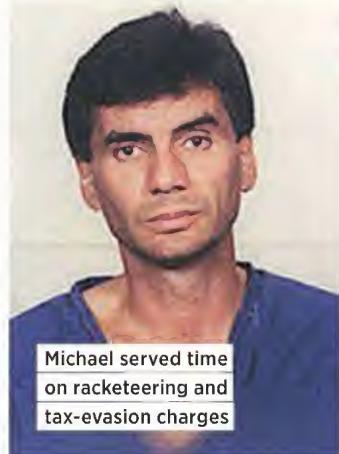

I was close to bringing in about \$10million a week.

## What was your lifestyle like?

I lived OK. I had three houses, two boats, a jet plane and a helicopter. So, I lived comfortably financially, but I became a major target of law enforcement, so I had a lot of attention on me from an early age. I've been dodging bullets my whole life.

## Did anyone try to kill you?

It was late at night, I was with two other guys. We got out of the car, walked into a diner and somebody opened fire on

us and shot up the car. Let's just say they wouldn't make the same mistake again. They got a hospital stay.

## When did you pack it all in?

In 1994. The main catalyst was meeting my wife. When Rudy Giuliani [former New York prosecutor] started to crack down on the mob in the '80s, he was using a racketeering law very effectively. I'd just met my wife and I said to her, "If I don't work this out and I lose this case, I'll be in jail forever." So I wanted to take a plea to that case and took the ten-year sentence. I moved to California when I got out and I was going to drift away quietly but it didn't work out that way.

## Before prison, had you ever seen anyone get whacked?

Many of the guys I knew are either dead or in prison. Four of the five guys who walked into the room with me when I got made are dead. Not one of them died naturally.

## So, was it hard to get out?

It was very hard. The FBI had to warn me that people were out to hurt me. But I spent a lot of years in that life so I knew what guys would or wouldn't do. I knew the operation and things I had to do in order to survive. I wouldn't go into the witness protection programme. I just outlasted everybody. Just about everybody I knew was either dead or in prison.

## Do you miss being part of it?

Once in a while, but it doesn't last. I didn't put anybody in prison but I'm still a betrayer of "the life". About a year ago, I got a call from somebody who said they'd welcome me back. "Our guys aren't making any money and we'd like you to come back," they said. I just laughed and said, "You're out of your mind!"

# Michael's top five mobsters

How real are the film and TV portrayals of the Mafia? Michael gives his verdict...

## MARLON BRANDO

*Don Vito Corleone - The Godfather*

"As the Boss, Marlon Brando was the epitome of what La Cosa Nostra should be. He lived up to the oath. He had it all: wisdom, respect, street smarts, self-control, family values and balls!"

## AL PACINO

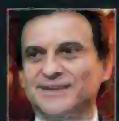

*Tony Montana - Scarface*

"Pacino was absolutely brilliant in Scarface as a gangster, not a mobster. However, he was pure fiction in my view. In 20 years on the street, I never actually met anyone like him."

## JOE PESCI

*Tommy - Goodfellas*

"He's got the mobster role down pat. I knew guys in 'the life' just like him. His language, the mannerisms. You want to see a real made guy? Look at Pesci in this and Casino. He's the real deal on screen."

## MICHAEL PITT

*Jimmy - Boardwalk Empire*

"Michael Pitt as Jimmy Darmody is the most interesting Boardwalk Empire character for me. Also, my favourite. Young, ambitious and very intense. A good mobster has to be intense."

## WARREN BEATTY

*Bugsy Siegel - Bugsy*

"I didn't ever get to know the real-life Bugsy personally, but he really couldn't have been any crazier than Warren Beatty portrayed him. Again, he was extremely real in that movie."

ROSIE PRESENTS...

# Babes in bed!

Get cosy with Rosie as she and her friends lift the lid on their bedroom habits!

STACEY

LACEY

KELLY

**“Emma and India  
share my bed!”**

# Rosie Jones

## Hi Rosie! Tell us, what's the best thing about your bed?

It's massive! I have a lovely king-size bed which is perfect for when I'm lounging around or having a midnight feast. I've just had Sky put in my room, too, so I'm never out of there!

## Do you ever have sexy sleepovers with your mates?

All the time! Emma Glover and India always share my bed with me when they stay. Even when we stay in hotels together or go abroad, we still insist on sharing a bed. It's just comfier that way.

## What kind of sleeper are you?

According to Glover, I'm a really frisky one. I move around a lot and have been known to flail my arms and legs around. Be warned – if you share a bed with me, you'll end up getting groped!

## How can a man make his bedroom more appealing?

I can't believe blokes leave dirty underwear lying around – it's just so disgusting and such a turn off. If you want to create a proper sex lair, you should make it tidy, have some nice stuff on the walls and maybe even light a few candles. Also, don't even think about inviting a girl around if you have mucky sheets.

## What kind of sheets do you have on your bed?

Clean ones! I recently bought some sexy silk sheets, but they turned out to be a nightmare – I kept slipping out of bed all the time. I'd say they're OK if you have them for a one-off thing, but they're not practical for everyday use.

## What's the last naughty dream you had?

I tend not to have rude dreams, but I wish I did. Instead I just have weird ones. Last night, I dreamed that I was eating Skittles. All of my dreams are food-related in some way! ▶

**Do you think food is a welcome addition to the bedroom?**

It can spice things up a little but it has to be the right sort of thing. Cream, chocolates and fruit can be sexy, but something like ketchup would be very, very wrong. Also, you have to clean up properly afterwards or it'll smell.

**What do you wear in bed?**

I tend to get so hot in bed, so I normally wear very little. I wear a big T-shirt and some little pants in winter, but I sleep naked in summer. It's always so hot and sticky, so it feels really good just to wear nothing and let the cool sheets do their best.

**What's the highest number of people you've had in your bed at any one time?**

I suppose whenever I'm with the other *Nuts* girls it can get pretty cosy. I think I've been in a hotel before where there were seven really gorgeous girls in one bed together after a shoot. If you'd accidentally walked into that room, you'd wonder what was going on – and then ask to get in!

**Where's the weirdest place you've fallen asleep?**

I tend to fall asleep in some pretty strange places after I've had a few drinks. I've woken up on many a bus or train only to find that I've gone right past my stop. I'm surprised more people don't draw on me or something!

**Do you have any weird bedroom habits?**

Apart from attacking people in my sleep? I tend to get really cuddly if I'm sharing a bed with someone, and I like to trap them into a human cage. That's pretty weird, right?

**Thanks for the chat, Rosie! Finally, do you like being big spoon or little spoon?**

I'm little spoon, for sure. I like being all cosy and small. Emma Glover always likes to spoon me. Her boobs feel amazing pressed against my back! ▶

**“There’s just  
no escape  
from me  
once you’re  
under the  
covers!”**

# Stacey Massey

## Hi Stacey! What's your bedroom like?

I have a pole! It's where all the magic happens. Also, though, the bed's broken. Rosie Jones broke my bed!

## How did that happen?

She jumped on me to rub her boobs in my face and she managed to break it.

## Is your bedroom messy or are you a bit of a neat freak?

It's messy at the moment. Pants and knickers everywhere – though most of them are clean, I never put them away.

## Have you ever done a private shoot in your bedroom?

Not my bedroom specifically, but when all the girls were round my flat recently – Rosie Jones, India Reynolds, Emma Glover and me – we thought it'd be funny to strip and get in my flatmate's bed while he was out. We tweeted a photo of it but he wasn't very happy!

## What kind of sleeper are you?

I take up the whole bed – I spread out everywhere, from corner to corner. There's just no escape from me once you're under my covers!

## What's your favourite activity while you're in bed?

Ooh, a bit of spooning, I think. I love a good cuddle. I hang on for dear life.

## Is food in the bedroom a good or bad idea?

It depends on how you're using it. I'm always eating in bed. Me and Kelly were in my bed the other day eating cheesy Doritos. There are crisps in all my sheets now. Classy girls!

## Are socks allowed in bed?

As long as they don't smell! That's attractive, isn't it, a nice waft of cheese coming up? Actually, I take that back. Ban socks. I can't take the risk! ▶

ROSIE AND FRIENDS!

# Kelly Hall

## Hi Kelly! How big is your bed?

It's massive! I have a queen-size bed which fills the whole room. I have to climb over it to get anywhere. I like it – it makes me feel like a midget!

## How much of your life do you spend in bed?

Most of it! When I have nothing to do, that's where I spend my time. All my happiest time's spent in bed.

## Do you ever have sexy sleepovers with your mates?

We always have them round Stacey's house. It starts with wine and pizza and rapidly descends into nakedness!

## What kind of sleeper are you?

I sleep on my boobs.

## What should a man make you for breakfast?

A full English. Anything less than that and I feel cheated. No croissants or fancy coffee, just loads of meat!

## How can a man make his bedroom more appealing?

It has to be tidy. There should be nothing to stop my progress from the doorway to your bed.

## Describe the last naughty dream you had.

I haven't had a naughty dream for a while. I do keep having a dream that I have a baby and I keep taking it out and leaving it in clubs though.

## Is it wrong to let a pet share the bedroom with you?

On the floor's fine, but if it gets on the bed, I'm leaving. You don't want a dog that's just licked its bum on your bed!

## What do you wear in bed?

Always naked! I can't sleep in clothes. It makes it difficult if I have a nap on the train!

## What do you like your man to wear in bed?

Nothing! I can't be naked on my own. It wouldn't be fair. ▶

**“I always go naked in bed – I can’t sleep in clothes!”**

**“Custard, melted chocolate- any lickable food’s good in bed!”**

# Lacey Banghard

## Hi Lacey! Are you a particularly noisy sleeper?

I'm told I am. I do snore after a night out. I also sleep-talk. If anyone gets to sleep with me, they'll find out all sorts.

## What foods should be allowed in the bedroom?

Custard, melted chocolate, cream... anything lickable!

## What do you like your man to wear in bed?

Nothing! I love skin on skin.

## Do you strut around your flat in your underwear or a comfy dressing gown?

Lingerie to clean the house. I like to clean the house in my smalls. I can't go naked, as my boobs start to feel heavy!

## Is that good for polishing surfaces then?

Oh yeah! If I lean forward to polish the table, my boobs are also polishing as well. I should fit dusters on each nipple!

## What's the highest number of people you've had in your bed at any one time?

Five. Two guys, three girls. One of the guys gave up and slept on the floor.

## Where's the weirdest place you've fallen asleep?

In a coffee shop where I once worked. I had a hangover and I fell asleep hugging the toilet!

## What's your bedtime routine?

Oh, tucked up, catching up on my Sky+ recordings.

## Do you have any weird bedroom habits?

I love toe-fiddling. I also love to lay on top of people – I love getting my leg over someone!

## How big's your bed?

It's a double bed but it's rubbish. It's one of those sinky foam ones and it has a huge dent in the middle.

Michael Fassbender (Magneto from *X-Men: First Class*) is on top form as a playboy New Yorker addicted to sex. He can't stop spanking the

monkey, picking up one-night-stands and blowing his wad on call-girl threesomes. Intense, moody and brilliantly played, it's the most sex you're likely to see in a multiplex – and you get to see Carey Mulligan totally starkers! ★★★★★

# Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

→ **YOU MAY** think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent *Nuts Games* winner bagged himself £229,776!

## How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

## The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

## Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

**Plus win up to £10k!**

Play three games for the price of one with **Deal or No Deal Scratchcard**. Play from the comfort of your home for £1 for your chance to win!

CONFESION OF THE WEEK!

## 'I filmed myself with a sex toy'

I WENT on a date recently with a posh boy who was my next-door neighbour's son. He'd been away travelling for six months and was always the perfect gentleman. After a few drinks, though, he relaxed and we started talking about sexual experiences. He got very excited when I told him I had a vibrator! At the end of our date, we had a kiss on the doorstep and he walked next door. Feeling very horny, I raced upstairs, filmed myself using my vibrator and sent it over to him. We spent the next few hours getting dirty on the phone!

**Beth** via email

## 'We dirty danced'

I'D HAD an awful cold over Christmas, so I was ready to party and let my hair down on New Year's Eve. My friends had arranged for us all to go

to a new club that had opened. I flirted with a few hot guys but one blond cutie really caught my eye. We were soon dirty dancing and I got turned on really quickly, as his strong hands roamed over my tiny blue dress. I could feel my thong getting wet and I felt his manhood pressing against me.

**Emma** via email

I took his hand and led him into the ladies' toilets, ignoring the stares from other girls. I pushed him into a cubicle, got down on my knees and gave him the best oral I could. It didn't take long before he exploded in my mouth. Unfortunately, someone told the bouncers and we were both thrown out! I didn't care. I'd had the best night out in ages!

**Diana** Leamington Spa

## 'We went to an adult store'

MY FRIEND and I had been stuck in traffic for ages and we needed a break. We noticed an adult store on the A1 and pulled over for a laugh. We went in and the guy working there was actually really hot, with a really good sense of humour. He kept cracking jokes with us so I made a joke about having a section where you could try out the vibrators. We were larking around with various toys when the guy walked over to us, took the vibrator from my hand and put it on one of my nipples! It sent shivers through my body. My friend was turned on too and couldn't wait for him to do it to her as well. Before I knew it, he'd locked up the shop and we were ripping each other's clothes off. The guy ended up doing us both and it was totally amazing. And we'd only stopped to stretch our legs!

## 'He took off my bra'

I'D BEEN out at a club with my friends all night and my man offered to pick us up at the ungodly hour of 7am. He dropped my pals home but instead of taking me straight to my house, he pulled into a local car park. He started kissing me, then unhooked my bra and it wasn't long before he was reaching inside my knickers. It felt so naughty, and anyone could have seen us, but I couldn't help moaning with pleasure. Unfortunately, the woman who attended to the public toilet showed up and I had to quickly pull my coat over his hand to hide what he was doing – but he just carried on pleasuring me! By that point, I just wanted to get on top of him and undo his pants. We'll have to choose a better spot next time!

# 10 RUDE QUESTIONS!

And a real girl to answer them!

**Sophie**

19 West Yorkshire

## 1 Where's the strangest place you've had sex?

"I was shopping with my boyfriend and I was trying on a bikini when he asked to have a look. I ended up ripping my bikini off and we went for it right there. It was so exciting because we could hear people in the fitting room next to us!"

## 2 What really turns you on in bed?

"I like getting my neck kissed and legs stroked, then being teased until I can't take it any more. It makes it extra intense!"

## 3 What's your favourite position?

"I like it from behind against the wall while being played with."

## 4 Is it better to give or receive?

"Both feel great! It's always good to feel like you're in control and knowing that you're giving someone so much pleasure!"

## 5 What one thing would you really like to try but haven't yet?

"I'd love to have sex on the dancefloor at a foam party! That would be so slippery and lots of fun!"

## 6 Ever got it on with another girl?

"I once did a photo shoot with another girl that involved us both getting naked in a bathtub together, covered in bubbles. We grabbed each other's boobs a few times and I thought it was fun, but I haven't been further than that yet."

## 7 What's your trademark move in the bedroom?

"Well, I can't be giving out my bedroom secrets, can I? But trust me, it's a trademark worth remembering!"

## 8 What's your role-playing costume of choice?

"A sexy prisoner outfit with crotchless knickers so I can be handcuffed and dominated by the 'guard' with his own special baton!"

## 9 Have you ever made a sex tape?

"Not with a video camera, only what I've recorded on my camera phone."

## 10 What's the single rudest thing you've ever done?

"Being tied up and covered in chocolate, and then getting it all licked off my body from head to toe!"

**"I'd love to have sex on the dancefloor at a foam party!"**

## Henry is a Gunner again!

But is it a good idea? We ask two Arsenal legends!

→ FIVE YEARS since Thierry Henry's Arsenal exit, the French striker's on his way back, on loan from MLS side New York Red Bulls till March. But does he still have his old va-va-voom, or should he have stuck to the old saying, "Never go back?" We asked two Arsenal greats their thoughts.

**Ray Parlour** Arsenal '92-'04

### HE'S MATCH FIT

"I watched Thierry train the other day and he looks sharp. The MLS may not be at the same level as our league, but Arsenal's training is so intense that he'll quickly get back into the rhythm. I see no issues with fitness."

### HE'LL SLOT IN

"Thierry's very intelligent and talented on the ball, so I've no doubt he'll still cut it. He always liked to drift out to the left, so I think he'll play the wide left role vacated by Gervinho. I'm excited to see him and Robin van Persie in tandem."

### IT COULD LEAD TO A BIGGER ROLE

"Thierry hasn't come back to the Premier League for the money. He knows he can still offer something and this provides him the chance to keep his eye in during the MLS off-season. Plus, he loves Arsenal and the fans love him. I could even see this serving as a precursor to Henry taking on a coaching role at the club when he retires."

### HE'LL INSPIRE THE YOUNGSTERS

"Apparently people are worried about Thierry's ego, but I played with him and I can tell you he's a fantastic lad and a joy to have around. His presence will inspire the younger lads there and they'll learn a lot from him. That's a big factor – having him there every day will be a great insight into what it takes to be world class."

### HE'LL LIFT THE FANS

"Having such a legend back will give the fans a huge boost. It's been a mixed season, but Arsenal are still up there with a shout of Champions League qualification and Henry will lift everyone."

### VERDICT

"It's not a long-term solution for Wenger, but this is a great deal for both parties."

"Who the hell  
are those three  
following me?"

#### HE'S LOST HIS PACE

"One of the things that made Thierry Henry so awesome was his extraordinary pace – speed like you'd never seen before. But he's not as quick today as he was five years ago, and the Premier League has got even quicker. People are expecting him to turn up and be the old Thierry Henry, but I can't see it happening."

#### HE'LL TARNISH HIS LEGENDARY STATUS

"In my opinion he's the second-best Arsenal player ever, behind Dennis Bergkamp. He's held in such high esteem now that the only way is down for his reputation. I went to Walsall when my legs had gone and didn't do myself justice, then played for Tamworth and their fans will probably say I was the worst player they'd ever seen!"

#### THE GULF IN CLASS IS TOO BIG

"We all remember Thierry blowing the rest of the Premier League out the water. But even if he has a decent two months now, he can only tarnish his reputation. He's recently been playing in the MLS, which is a hundred times easier than the Premier League. As such, he's not going to be as sharp as he needs to be to cut it."

#### HE COULD UNSETTLE ROBIN VAN PERSIE

"What I worry about most is that Henry's presence will unsettle Robin van Persie. If Henry starts, Van Persie might have to play out wide. Wenger doesn't play a front two, so something has to give."

#### HE'LL GET FEWER SCORING CHANCES

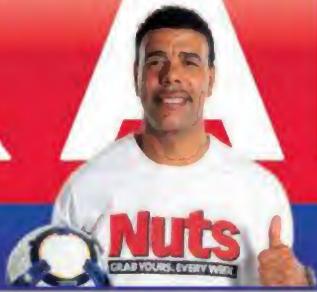

"You're only as good as the service you receive, and it won't be as good second time round."

#### VERDICT

"They say never go back. Thierry should've stuck to that rule."

**Paul Merson** Arsenal '85-'97

# KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Has anyone lost a red sock?"

## FA appeals are not fair game!

**It can't be one rule for one and another rule for the other!**

→ I CAN'T see the logic behind some of the FA's recent retrospective decisions on red cards, some of which they have rescinded while some they haven't.

After an unsuccessful appeal, Wolves' Nenad Milijas is now serving a suspension for the red card he was given for his tackle on Arsenal's Mikel Arteta, which was never

a sending off offence in a million years. I can understand how a referee can make a split-second mistake, but justice should prevail on appeal.

The only reason Milijas' dismissal was upheld is because the ref in question is Stuart Attwell, who the authorities are trying to protect. Attwell's previous red card – brandished to Gary Cahill during Bolton's visit to Spurs – was quashed on appeal, so it seems to me that's had a bearing on this case.

I feel sorry for Wolves boss Mick McCarthy, who didn't moan when Frank Lampard made a dangerous lunge at his player a week later and yet stayed on the pitch to score Chelsea's winner.

It doesn't even itself out as some claim. Instead, it feels like the system administers one rule for the big clubs and another for the rest. That can't be good for the game.

**Good luck to Shheteve!**

STEVE MCCLAREN has returned to FC Twente in Holland and I'm delighted he's back in the game. He might get a lot of stick over here, but Steve's a good guy and a great coach, and he was a huge success last time he managed them. I know it didn't work out for him at Forest, but it seemed to me that the players and the chairman never bought into his vision. Don't be surprised if he takes them into the Champions League again.

## Goodbye, Georgie!

IT WAS so sad to see the lovely Georgie Thompson leave Sky Sports News after more than a decade of lighting up our screens. I'll never forget the time I competed against her in a Jaffa Cake eating challenge for "Kammy Do It?" on *Soccer AM* – she destroyed me! Georgie's moving on to present Sky's coverage of Formula One, a sport I've never been a big fan of watching. But from now on, I'll be glued to the screen!

"See-ya, suckers!"

## THE BIG MATCH!

## Chelsea vs Sunderland

SAT 14 JAN • 3PM

Martin O'Neill's resurgent Sunderland are enjoying the kind of momentum that only a new manager can provide. Who knows how long it will last, but having turned league leaders Man City over, I fancy them to put in a good account of themselves at the Bridge and get a draw.

**KAMMY'S PREDICTION: 1-1**

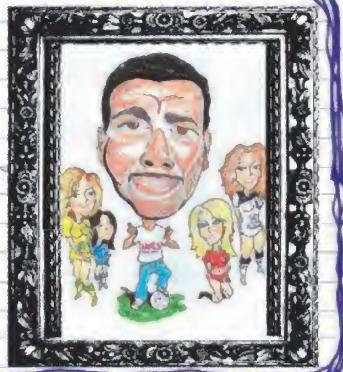

## Key man

Lee Cattermole has been superb in the Black Cats' midfield. I can't see Chelsea's flair players looking forward to him biting at their ankles!

## DRAW KAMMY!

GARY O'REILLY from Rochdale has sketched this unbelievable work of art, depicting me with some *Nuts* babes in football shirts. If only this happened in real life!

EXCLUSIVE!

# Swann: 'I'm a comedy genius!'

As England face Pakistan in their first Test match in Dubai, Graeme Swann talks grumpy team-mates and the Toon!

## On playing Pakistan in Dubai...

"Obviously, the last time we played them there was some rubbish stuff going on [two Pakistan players were later jailed for match fixing] but that's in the past now. I'm convinced there won't be any animosity, bad blood or anything like that. It's in the interests of both sides for the series to be about the cricket and nothing else – it'll be competitive but played in the right spirit. I expect a tough series against an always talented Pakistan outfit. This is the first time we'll be playing Test cricket in Dubai, which is new and exciting. I'm looking forward to it."

## On being a joker...

"I love taking the p\*\*s and having a laugh, and there's nothing wrong with that. My attitude hasn't changed from the early days, when people wrote me off as a joker with limited talent, but maybe now I've got more substance in my game to back it up. There's no better thing than going out on the field with your mates, playing a game you love and beating the opposition. Normally, we're playing in beautiful cities with perfect weather, too. What's not to enjoy? That's not to say I don't take the game seriously. If someone misfields off my bowling, I have murderous thoughts, which, to my shame, I don't always keep to myself. Must try harder!"

## On England staying as number one Test team...

"I remember two or three years ago, we spoke about reaching the goal of being number one in the world – and, blimey, we've played a lot of cricket since then! I was knackered before Christmas! But it was worth it. The next two years will be the same, if not even harder, but everyone in the team's motivated to stay at the top. I normally hate all that PR speak in interviews, but I can honestly say we're a united group who are determined to retain our number one spot."

## On being the world's best spinner...

"Yeah, it's been a hell of a ride. From being a bit of a lunatic who no one trusted, to becoming part of the international set-up, to getting to number one a few years later is something I never would have imagined. I've bowled pretty well and taken a few wickets, which is handy, because that's what I'm paid for, and I don't want to lose my job! And then they went and made me England [T20] captain! They must have been insane!"

## On his team-mates...

"I get on best with Jimmy Anderson – the world's grumpiest man. He does make me laugh, though, even if his attempts at being funny are, frankly, a little bit pathetic. That's what makes him funny – he doesn't have any idea we're laughing at him. It's desperate to see such a grumpy sod try to get all the laughs. He doesn't appreciate he's against a comedy genius like yours truly. I also love Brezzy (Tim Bresnan). I'd say he was thick as two short planks, but that'd be really unfair to the planks. I'm afraid he doesn't have that bit in his brain which filters what he says. Bless him, he's a good lad."

## On being a Newcastle fan...

"We'll win the league, obviously. Of course we will! There's not a doubt in my mind – Alan Pardew's a messiah! Actually, it'll be a double of Newcastle as Premier League champions and England to win the European Championship this year. Deluded? Me? Never. Did you see the Man United game last week? As I say, champions elect!"

- The first Test between Pakistan and England is live on Sky Sports 1/HD on 17 January, from 5.30am.

### SWANN'S SONGS!

Spin wizard Graeme is also lead singer of the rock band Dr Comfort and the Lurid Revelations.

## England's super spin sensation

- "Swanny" isn't the only nickname Graeme has within the England cricket set-up. He's also known as "Swannatron", as well as "The Chin" and "Chinnosaurus"!
- **Graeme, 32, was born in March 1979, six weeks before Margaret Thatcher became Prime Minister.**
- Having initially been called up for England in 1999, Swann spent many years out of favour, having overslept and missed the team bus in South Africa.
- **In 2008, Swanny finally established himself in England's Test side, and became the team's first-choice spinner.**
- Swanny bowled out the entire Bangladesh batting line-up in 2010, achieving career-best figures of 10/217.
- **Last July, Swanny became number one in the world one-day bowling rankings after figures of 8/164 against Sri Lanka.**

**"Brezzy's as thick as two short planks, bless him!"**

"Come here and give me a hug, now!"

## FOOTB4LL3RS' C4RS

Here's Manchester City's **YAYA TOURE** with his souped-up Porsche Cayenne. His motor's so pimped that the seats are personalised with the names of his wife and kids. But frankly, we'd order personalised toilet roll if we were on £200,000 a week.

Rumours that this ice hockey match between **NEW YORK ISLANDERS** and **CALGARY FLAMES** was hijacked by the New Zealand All Blacks front row are unconfirmed.

American footballer **CHRIS KUPER** couldn't believe his luck when he broke his ankle playing for the Denver Broncos last week. But at least he doesn't have to wear a leotard in public again for a while. Every cloud!

# “Quote me on that!”

This week's biggest match debaters!

**“Once my hair falls out, I don't plan to glue new hair in its place”**

“The lads have told Adel Taarabt why they want to kick him in the teeth”

Neil Warnock on QPR's great team spirit.

**“My New Year's resolution is to stop kicking the dugout”**

Good luck, Ian Holloway.

**“If Ramirez could have scored, it would have meant we'd won. But there are no negatives”**

That sounds suspiciously like a negative, Andre Villas-Boas.

**DO-ER SOUNDS A BIT RUDE CORNER!**

**“It does give you a spark if you've got someone right up your behind”**

Paul Walsh loves a man up him.

**“Gareth Bale's an amazing boy when he opens his legs”**

**“Bosingwa came across the thigh of the Brazilian”**

Sky's Alan Smith on a top night out.

For your information, Bolton gaffer **OWEN COYLE**, the 2012 World Gurning Championships start in Budapest, Hungary, in May. Just saying.

Dallas is home to the **MAVERICKS** NBA side, whose cheerleaders, thankfully, are nothing like the rubbish '80s TV soap.

# African Nations Cup exodus!

How will big clubs cope without absent stars?

→ SOME OF the Premier League's high-fliers will kiss goodbye to their African internationals this month as the Cup Of Nations kicks off. Spurs, Man United and Liverpool will be unaffected, but what of the others?

## NEWCASTLE

**Players missing:** Demba Ba (Senegal) and Cheik Tiote (Ivory Coast).  
**Gaffer says:** "They're two truly great players and we're going to miss them."  
**Verdict:** Newcastle will be hit hardest.  
**LOSS RATING:** ★ ★ ★ ★

## MAN CITY

**Players missing:** Yaya Toure and Kolo Toure (both Ivory Coast).  
**Gaffer says:** "Kolo has been strong and there's only one Yaya – we'll miss him a lot."  
**Verdict:** Yaya is irreplaceable. A huge miss.  
**LOSS RATING:** ★ ★ ★ ★

## ARSENAL

**Players missing:** Gervinho (Ivory Coast) and Marouane Chamakh (Morocco).  
**Gaffer says:** "Losing two forwards at this stage is tough, but we've other options."  
**Verdict:** Henry should paper over the cracks.  
**LOSS RATING:** ★ ★

## CHELSEA

**Players missing:** Salomon Kalou and Didier Drogba (both Ivory Coast).  
**Gaffer says:** "Losing somebody like Drogba is difficult, but we'll continue to push on."  
**Verdict:** Worrying lack of attacking options.  
**LOSS RATING:** ★ ★
